**SUBJECT: WAMI – Seminar in Borino**

Dear Mr. Aliev,

Our common project WAMI is about to be completed, contributing to the improvement of the life of the inhabitants of the areas of Paggaio, Borino and Madzharovo.

We started some years back and we continue the cooperation in more projects, while in this one we have one more partner from Bulgaria, Municipality of Madzharovo.

We wish the last activities of the project to be successfully implemented and we look forward to proceeding with new projects.

With best regards,

Yiannis Tsoukalidis – Project Manager
