The Mayor of Borino, Mr. Aliev

SUBJECT: WAMI – Seminar in Borino

Dear Mr. Aliev, Dear good friend Oktai,

We are pleased that the project WAMI comes to its end with those successful results for all partners. We completed together the important project JEFMAN in the framework of European Territorial Cooperation Programme “Greece – Bulgaria 2007-2013” and now we complete WAMI in the same framework.

We also started together with other European partners our common project ACHELOUS.

We are proud and happy with our cooperation of these years and we are confident that our cooperation will last, for the benefit of the two areas.

In the seminar organized today, unfortunately, our delegation in Borino could not be present at full scale due to pending issues related to the recent Municipal Elections however it is robust and carries warm wishes to you and the people of Borino.

We wish success to the seminar.

Vassilios Xouloghis – Mayor of Paggaio
